Special Camps Summer 2020 Update

Dear Special Camps Family,

We pray you are all well and safe. At this time, we would like to provide an update regarding our summer camping programs.

After hours of prayer and much discussion with our legal and medical teams, it is with the heaviest of hearts that we announce the cancellation of our onsite Youth and Adult Special Camps scheduled for July 20-25, 2020. Our hearts are broken, but the safety of our campers and counselors must be our top priority.

Registered campers and their families, counselors and staff have already been contacted with the update.

The Board of Directors and the Operations Team are currently working together to provide an alternative virtual camp program available during the week of July 20th. More information will be provided in the coming weeks. We are encouraged this will provide fun opportunities to connect with our friends throughout the week!

We understand there may be mixed emotions and thoughts. Please feel free to reach out to our team with any questions.

Many blessings,
Joy Davis
Operations Director
