

Hello Special Camp family!

We are actively planning Fall Camp and monitoring the ever changing COVID situation. We hope you understand that we always put our campers' needs, safety, and well-being first.

Fall Camp is planned for November 4-7. Please save these dates on your calendar. At this moment in time, we are unsure as to how much of camp we will be able to have in person. However, you can plan on camp activities happening during those days whether it be virtual, in-person, or a combination of the two. This decision will not be taken lightly, and is made by our acting camp nurse, Margaret Todd, as well as the ESG Special Camps Foundation board members. I will send out another email to let you know when registration is open.

Please continue to pray for our camp family and for those who will make this difficult decision. If you have any questions or concerns, don't hesitate to reach out to me.

With love,

Ashley Sams
Fall Camp Director
