

Dear friends and families of Special Camps,

What an amazing year we have had! Thanks to everyone that has volunteered both physically and financially to our great cause, we have had a wonderful year filled with laughter, singing, playing and fellowship at both summer and fall camp. This year's theme was "Game On" and boy did we have fun! From canoeing and fishing to fireworks and talent shows, this year was an amazing experience all the way around. During the course of this year we had several first time campers which is always a great thing because it means that camp is growing and we are making new friends!

As always, I am looking forward to the future of Special Camps and the fun and adventures we will have next year. For those that have not heard, Camp Sumatanga has finished renovating an additional cabin for summer camp so that means that we will be able to share this wonderful camp with even more campers next year. I would personally like to give a heart felt thank you to all of our volunteers who absolutely make camp possible. Without each and everyone of them, we would not be able to do the things we do. I would especially like to say thank you to Darlene and Will Spruill who work tirelessly around the year to organize and build everything that we need to make camp so special. As the year draws to an end, I hope each and everyone of you has a merry Christmas filled with love and cheer.

Ben Gibbons
