GIVING TUESDAY

Giving Tuesday is one of the most important days of the year for Special Camps. As a volunteer-led organization, we rely on this day of generosity to support camper scholarships, accessible activities, and the extra touches that make camp magical for every participant.

This year, our theme is Sparks of Joy—the everyday moments of connection, laughter, and belonging that define the Special Camps experience. Throughout Giving Tuesday, we'll be sharing these Sparks of Joy across our social media to show how powerful camp can be in the lives of our campers and volunteers.

You can help keep the joy growing. A gift of any size creates a spark that leads to even more life-changing moments. And even if you can't give, simply sharing our posts or inviting friends to follow our page spreads the light farther. Every spark counts, and together they keep our mission glowing bright all year long.
